Directions to Dr. Pierce's Dallas office.

The link below will allow you to generate Google Maps directions:

[2639 Walnut Hill Lane, Suite 137, Dallas, Texas 75229.](#)

There is often confusion about where Suite 137 is located in the building campus. Some building signs read that only even-numbered suites are in the West wing, but that is outdated information.

Attached is a photo of the front of the office complex taken from Walnut Hill Lane. Dr. Pierce's office is on the west side, the side closest to I-35E. Convenient parking is also on that side (the lot closest to the Walnut Inn). A map highlighted with a green line will direct you to the best parking lot.

There are two entrances on the far west side — you will want to use the entrance closest to the back of the building. A sign in the window reads: Dallas Police Storefront Location. When entering through that door, there is a police office door on the immediate left in an alcove. Past that, Dr. Pierce's office is the second office on the left: Suite 137 which is just past Suite 144.

Please let me know if you have questions. You can call or text the office number any time: (469) 882-4454.
